About Me

A highly motivated and creative individual with expertise in Figma UI design and a love for art and anime. Possesses a strong understanding of HTML, CSS, and JavaScript, which enables me to bring designs to life. Possesses a curious nature, which drives me to continuously expand my knowledge and skills.

Experience

- Feb 2022 - Feb 2022
UI/UX Intern
 Parkyee
- Designed user interface and user experience for Parkyee's website and app to enhance user engagement and satisfaction.
- Collaborated with the development team to ensure the implementation of design specifications and functionality.
- Worked with cross-functional teams to ensure that the design aligned with Parkyee's branding, business goals, and user needs.
- Successfully delivered high-quality design solutions within tight deadlines.
- Demonstrated strong attention to detail, creativity, and a passion for user-centered design.
